## COMMANDER

We certainly have gotten off to a great start for the summer months. Lots going on between Safe Boating week and the honor guards. By participating in these events, the general public becomes aware of DSPS and USPS and what we do. It is amazing to me how many people (including yacht club members) really don't understand that we are indeed a volunteer organization which teaches safe boating through education. At all of these events, I have been able to speak one on one with many boaters and hopefully we will have the opportunity to get some of them into our classes and then become members of DSPS.

This past weekend, I attended the Queen of the Chesapeake Pageant and Maryland Yacht Club's opening. I was helping Rockville, Potomac River and Patapsco with the educational trailer and Sea Vester. This also brings me up to the next favor I have. On 31 July and 1 August, 2010, I have arranged to have the trailer and Sea Vester at Baltimore Yacht Club for the beginning of their "week on the island". I am in need of volunteers to help with this. I am also trying to get members of other squadrons involved as this is really a district event not just DSPS.

I want to thank Lt/C Sue Bussey, S for all her work in arranging for the coverage for the honor guards. For future times, keep this in mind as it really is a privilege to provide this for other clubs and organizations.

We have our next event coming up the weekend of 25-27 June at Red Eye Yacht Club. This will also be a time where DSPS members will have the opportunity to meet members of Chesapeake Cruisers Association (CCA) as they are joining us for the party. Make sure you let P/C

John or Mary Hall know that you are coming before 14 June. This was a great event last year and I am sure it will be even better this year.

As you know, I decided to have my Commander's Cruise in conjunction with the D/5 southbound cruise this year. One of the main reasons I did this is so members of DSPS will have the opportunity to visit with members of other squadrons in D/5. Many times, one can learn much from others and others can learn from you. Friendships can develop and one's horizon can be broadened. This is also a way to hopefully get DSPS members out on the water and to Solomons for the D/5 summer council/rendezvous/navigation contest. If you haven't been on one of the cruises or at the summer event, you really should consider this one. You won't believe the fun. After all, remember, USPS says "Boating is fun. We'll show you how!"

Take care and looking forward to seeing all of you at the 16 June 2010 meeting.

Please feel free to contact me with any questions you may have or if I can be of help to you.

Respectfully submitted,  
Cdr. K. J. "Fuzzy" Jones, S

# ***EXECUTIVE OFFICER***

We will have just about finished our Honor Guard duties when you receive this issue of the Horizon. We were privileged to participate at Crescent Yacht Club, Red Eye Yacht Club, Baltimore Yacht Club and Bush River Yacht club. This is my first year to serve on the Honor Guard and it is a rewarding event. Cdr Jones, I believe has attended all of them where DSPS participated. Thanks to all who helped.

Thanks to P/C Brooks Riley, P/C John Hall., and D/Lt/C Bernie Karpers along with Tony Soleski for the informative radio show they did again in May. This is a very interesting show as they ask for call in questions. Seems that Kathy Karpers helped out by calling in questions. They give accurate answers so there is no hanky panky. It is truly a good show.

Safe Boating Weekend has come and gone. Thanks to all who participated especially P/C Connie Barry who was in charge of the VSC's. P/C David Seidenman was chairing the event and did a great job with securing slips for the boats and securing a place for our booth and dinner. P/LT/C Rolf Stuenes helped out by getting the booth and making sure it was up and ready for the day. All in all everyone there helped when they could. The Karpers provided lunch aboard After Hours II and it was a very good treat for all of us.

Thank you all for the help and cooperation you give time and time again.

If you were not at the May meeting, you missed a very good demonstration from 1/LT. Steve Dalgarno. He demonstrated the DSC and held the attention of everyone there. If you don't know what DSC is, ask Steve.

We are approaching our 50th Anniversary!!! It will be

September 11, 2011 and we are getting ready to order our anniversary burgees. If you are interested, please contact me or Ron Basener with your order.

12x18 \$ 27.50 14x21 \$35.00 16x24 \$45.00

Larger sizes are available and we would be glad to give the prices if you call either one of us.

A committee has been formed to help celebrate the 50th and if you are interested in being on the committee or have some pertinent materials, please call me at 443-567-5692. We are planning a Gala Celebration to be held on Saturday, September 10, 2011. Yes, that is 9-10-11 !!! How great is that?

Hopefully all of you will sign up for the Commander's Cruise in conjunction with the district cruise. Check the Horizon for dates and destinations..

Don't forget to make your reservations for the Crab Feast. It is the event of 2010! P/C Read Van Zile is chairing this event and please mail him your check for your reservations. Also, call the marina for your slip. Hurry, it is fast approaching. You don't want to be left out of this one!

As of now, Steve Dalgarno will be making the arrangements for our dinners. Please remember to contact him each month. He will be able to give you the menu for the month. It will be Italian.

Hope to see you at the June 16 meeting at the Elks Lodge on E. Homberg Ave.

Respectfully submitted,  
Lt/C Suzann K. Bussey, S

# *ADMINISTRATIVE OFFICER*

Hello All Stations,

I hope everyone who attended May's meeting came away with a better understanding of their DSC radio. To get the most recreational use out of these radios you will need to have an MMSI directory. Perhaps in next years roster we can include our MMSI numbers so we can communicate digitally. Next month, Dick Bussey will explain the use of the squadron defibrillator device. The Squadron purchased this device and it is present at all functions, but like all other devices is of no use if no one knows how to use it.

I would like to welcome new members Rick Favarullo, William Mazurkevich and transfer members Art & Irene Epstein from Lackawanna Power Squadron. It was also nice to see some old friends of Dundalk Sharon Bayly and

Twila Mahama who has been with Harris Chain Squadron in Florida.

Dinner next month will again be Italian (Lasagna, spaghetti, etc) at about \$10. If you plan to attend and have dinner, please let me know @ [stevedalgarno@hotmail.com](mailto:stevedalgarno@hotmail.com) so we can order your dinner. June's cruise will be a raft out/picnic at Red Eye Yacht Club in Sue Creek on June 26 & 27. Please take a look at your cruise schedule as there will be no general meeting in July and there are many events coming up. It's not too early to make your reservations for the Crab Feast.

Admin out.

Respectfully submitted,  
Lt/C Steven Dalgarno, N

## NOAA-USPS Cooperative Charting Workshop

BY Kathy Karpers

On 1 May 2010 the Bridge of District Five, Past District Commanders, Squadron Cooperative Charting Chairmen, Cooperative Charting Committee members and guests attended the National Oceanic and Atmospheric Administration-United States Power Squadrons Workshop in Norfolk, Virginia.

P/R/C Steve Leishman, SN as D/5 Co-Op Chart Committee Chairman, D/Lt Robert A. Beltz, JN, Assistant Chair, along with instructors D/Lt Ken Perigo, SN, D/Lt David Bernard, AP, D/Lt Howard Manly, AP, Ron Babin of Ocean Grafix, P/R/C Patricia Greer, SN of Adopt-A-Chart, registration chairperson P/R/C Norma J. Parrish, AP, D/Lt Connie Beltz, AP along with Lt/Cdr Rick Brennan and Lt Sarah Mrozek of NOAA prepared an exceptional NOS/USPS workshop. Representatives from Districts Two, Four and Twenty-Seven and the above made a total of **fifty** in attendance. Included in the above from Dundalk Sail and Power Squadron were Cooperative Charting Chairman P/Lt/C Rolf Stuenes, JN, D/Lt C Walter Neese, SN, D/Lt/C Bernie Karpers, N, D/Lt Kathy Karpers, S.

Topics were discussed such as Small Craft Charts and Facilities, Coast Pilot Books, Aids to Navigation, National Charts, Print-On-Demand chart printing, Adopt-A-Chart, USCG Light List, NOAA Catalog of Charts and Publications, worksheets, hand held GPS systems and digital cameras, and even having a good pencil with a good eraser.

The Cooperative Charting year begins April 1 and runs to March 31 each year. Let us take part and have pride in helping our community service committee of District Five in generating as many complete reports as possible. We should learn and have fun in doing cooperative charting.

# Whoa! A Party on the Water?

Join your fellow CCA members along with Dundalk Sail & Power Squadron, and maybe other squadrons, on Sue Creek in June for a raft-out, pier-party, and just plain fun.

The place – Red Eye Yacht Club; the date – June 25th through June 27th. Costs are reasonable and the opportunity for fun is huge. Raft out on Sue Creek or reserve a slip. Drive, row, sail, or motor over. This is the first water event of the year. Let’s make it memorable!

Friday, June 25 – We’ll just hang out and enjoy ourselves.

Saturday, June 26 – A cookout at 1500. Hamburgers, hotdogs, salads, etc. Refreshments need to be purchased from the club (and they are very reasonable) or consumed on your boat. Seamanship games and maybe horseshoes.

Sunday, June 27 – A pitch in breakfast at 0900.

An additional registration request for CCA members: Please let Fleet Captain Guy Thompson know if You are coming. [gbthompson@verizon.net](mailto:gbthompson@verizon.net)
