COMMANDER

It's hard to believe that summer is behind us and fall is upon us; however, remember, fall is a great time for boating.

The National Governing Board meeting in Bellevue, Washington was extremely informative. There are many new things coming up in USPS and as time progresses, I will forward all information to everyone. On Saturday afternoon following the meeting, several of us went on a boat tour of Lake Washington. It really is a lovely area; however, it really makes us feel lucky to have the Chesapeake Bay and it's tributaries to boat on.

We have many events still to come this boating season. On 1-3 October we are co-hosting the D/5 Sail Regatta and Fall Festival held at Mears Marina Kent Island. Following that, we have the D/5 Fall Educational Council meeting in Rockville, MD (see enclosed information). If you have never attended one of these meetings, I would highly recommend that you come and learn. The Friday of the event will be a whole day of First Aide & CPR training especially designed for boaters. While we certainly hope no one has to use either of these, we really should be trained in the event that we need to.

The Annapolis boat shows are coming up the 2nd and 3rd weekends of October. The D/5 educational trailer and Sea Vester will be attendance and the Annapolis Sail & Power Squadron could use some additional help from their friends. If you are able to participate, please let me know and I will put you in touch with their boat show chairman.

We have our Frostbite cruise scheduled for October in beautiful downtown Annapolis.

I am still looking for some volunteers to help out on Saturday, 16 October participating as honor guard for Baltimore Yacht Club's Commodore's Ball. If you have uniform "A" and are available, your attendance would be much appreciated. Please let me know if you are able to be part of this event.

2010 & 2011 are years for DSPS to remember. At our last meeting, we celebrated our 49th Anniversary. On 19 March 2011, we will hold our 50th Change of Watch. Then on 10 September, 2011 we will celebrate our 50th Anniversary with a gala dinner/dance. Wow....it's hard to believe what hard work so many of our members have done to make this possible. To celebrate 50 years of "safe boating through education" with USPS is wonderful. My hat goes off to everyone who has been a member of DSPS over the years.

As always, please let me know if I may be of any assistance to you or if you have any questions.

Best of luck with the remainder of the season and HAPPY 49TH ANNIVERSARY!!!

Respectfully submitted,
Cdr. K. J. "Fuzzy" Jones, S

EXECUTIVE OFFICER

Our membership meeting last night had some very interesting information for all of us.

P/C Bernie Karpers gave us information he received from the National meeting in Washington. He told us that a good time was had by all in attendance. There are several new things coming from National. One of these is the elimination of the \$25.00 initiating fee. This will begin in December. D/5 took one 3rd and two 2nds awards for marketing and 1st place for the MIRA award. This has a monetary attachment to it. MIRA stands for Membership Involvement Retention Award. This is something to be proud of for D/5

Will Kincannon reported to us on the grey water situation: The MDE regulates industrial facilities discharging storm water and wastewater under the Clean Water Act. The department is revising this permit to reflect water quality standards for the environmentally sensitive waters of the State such as Chesapeake Bay. This revision contains several changes from its predecessor including limitations on wastewater. Discharging to surface waters from cleaning of boat bottoms painted with anti fouling paints. Permit regulates discharges of wash water, collected bilge water, condensate, cooling water and storm water exposed to marina activities. General permit cannot address all possible pollutants but addresses the most common found where these activities occur: suspended sediments, oil and grease, and metals. Vessel washing can cause discharges of harmful pollutants either directly discharged to waters of the State or intermingling with storm water. Washing of boat bottoms painted with soft abrasive paints or paints which create a visible plume may not be performed in water.

There is a lot more information and you may read it all on the Maryland Department of the Environment. There will be a meeting held on September 29,2010 at 11 AM in the Terra Conference Room at MDE 1800 Washington Blvd.

Baltimore, MD 21230

OR

You may write comments concerning the tentative determination and mail them to Shannon McDonald at the above address OR e mail to smcdonald@mde.state.md.us by Tuesday October 5,2010

You can download the General Discharge Permit No. 10-MA Fact Sheet and the entire Draft Discharge Permit No.MA at the MDE web site:

<http://www.mde.maryland.gov/Permits/WaterManagementPermits/water-applications/marinas.asp>.

We are making plans now for our FIFTYTH ANNIVERSARY. The date is 9/10/11 (September 10, 2011) and we hope you will mark your calendars for this GALA. We hope to have a very nice evening with a cash bar, sit down dinner and dessert. There will also be dancing later in the evening. A few presentation along the way I am sure. Please plan to attend as I don't know how many of us will be here for the ONE HUNDREDTH !!!

We should begin to think about the Boat Show which is in January 2011. P/CDR Tracey Stuenes in the chair for this event and needs your help manning the both. There will be a sign up sheet at the next membership meeting. Please volunteer for this event. You are allowed free admission when working the Boat Show.

Don't forget the 50th burgees. They will be for sale at the October membership meeting.

Respectfully submitted,
Lt/C Suzann K. Bussey, S

Next Meeting Reminders

Executive Meeting:	November 3 rd	American Legion Post (Seling Ave.)
General Membership Meeting:	November 17 th	Elks Club (1007 E. Homberg Ave., Essex)

Moving? Changes in Information??

Please remember to let us know if you go away for the winter or move to another address. Also, if you change your phone, cell phone number(s) or e-mail addresses so we can make sure you are kept informed of upcoming events. Please give all changes to our Secretary who will in turn notify National and everyone else who needs to have the information.

THANK YOU!!!

EDUCATIONAL OFFICER

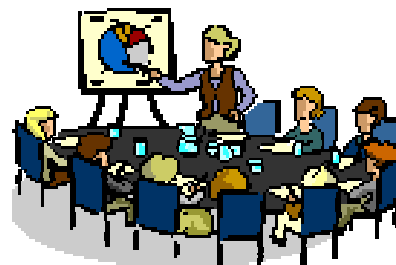

The JN Course took a break for the summer and will resume in the fall.

ADMINISTRATIVE OFFICER

Hello All Stations!

Good to see everyone at Wednesday's meeting. Bernie Karpers reported on the national meeting in Belle View, Washington. Seems Dundalk is a bright spot in the national spotlight.

Bernie also reported that the CEO of the Brunswick Corp., maker of many different boat lines, is a big USPS supporter and wants his dealerships to become involved with local squadrons. This is a great opportunity for Dundalk.

Will Kincannon reported on proposed new policies by MDE and its impact on recreational boating. There were quite a few eye opening revelations that will change the way we do boating. Will passed out literature with the proposed changes, we'll see if he can bring some to next

month's meeting for those that missed. The D-5 Sail Regatta and Fall Festival is Oct 1-3 @ Mears Point Marina, Kent Narrows. Dundalk is co-hosting with Rockville and Kent Narrows so come out and support, it should be fun.

Our Frostbite Cruise will be to Annapolis, Oct 22-24, check out email for flyer.

Speaker next month will be associate members Al and Marianne Ponzio. They just returned from a bareboat charter cruise to Vancouver, British Columbia. Should be interesting!

Hope to see you at Kent Narrows.

Respectfully submitted,
Lt/C Steven Dalgarno, N

SECRETARY'S REPORT

I am so pleased the planning for our 50th Change of Watch Dinner/Dance is coming together so nicely.

As your Property Manager, I will inventory all squadron property stored in our locker in Essex. This inventory will be taken in early October and I will report to you after the inventory. The squadron owns a bit of property stored in the locker, much of which has been there for some time. There may be property that is no longer of use. If this is the case, I will advise you all and perhaps we can dispose of this "ancient" property.

The Fall Conference, focusing on education, will occur in early November in Rockville, Maryland. I will attend and will report on the conference in November.

Respectfully submitted,
Lt/C Lane Letsch, S Secretary

TREASURER'S REPORT

Most of our members are paid in full. We are looking forward to the income from the Crab Feast. Hope many more signed up and enjoyed the "Feast"!!

As I mentioned before, Associate members dues will be going out shortly.

Respectfully submitted,
Richard D. Bussey, P Treasurer
